### **Empanelment of Domain Experts from various industry verticals**

Kerala Academy for Skills Excellence (**KASE**) is a fully Government owned Company incorporated under section 25 of Companies Act 1956, established as an organization for the skill development mission of Government of Kerala.

KASE has launched an international outreach initiative - iSTEP (International Skill Training and Employability Programme), a single window web based approval system envisaged for faster, simpler and efficient processing required for setting up of **Centres of Excellence** (CoE) in various sectors. It aims at forming long term sustainable relationship for skill development and employability with international organisations, industries, industrial clusters and experts. In all such models, KASE will provide the basic infrastructure, wherein the training, certification and placement including overseas placement is the mandate of the industrial partner as per the standards laid out by KASE.

In this context, KASE is in requirement of domain experts from various industry sectors with minimum 10 years of industry experience for offering professional domain expertise, competence, and wide knowledge of the subject matter. We are looking for the experts from the following Domains/ Industries:-

- 1.Agriculture
- 2.Apparel and Textiles
- 3.Architecture and Interior Designing
- 4.Automotive
- 5.Ayurveda
- 6.Banking Financial Services and Insurance (BFSI)
- 7.Beauty and Wellness

8. Business and Commerce
9. Enterprise Resource Planning (ERP)
10. Environment Management
11. Fashion Designing
12. Food Processing
13. Gems and Jewellery
14. Healthcare
15. Hospital Management

25. Robotics
26. Rubber Sector
27. Soft skills/ Life skills
28. Spa Management
29. Teaching
30. Telecom
31. Tourism and Hospitality
32. Waste Water Management

The role of Expert will be;

- i. Defining accreditation standards for KASE for approval of syllabus, testing and certification process.
- ii. Evaluating the skill training institutes vis-à-vis the set accreditation standards.
- iii. Recommend skill training institutes to KASE board for accreditation
- iv. Review the periodic updating of syllabus, curriculum and course content

- v. Review adequacy of courses offered viz-a-viz industry demand and suggest addition/ modification or discontinuation of courses.
- vi. Periodic performance evaluation against deliverables.
- vii. Review, and if necessary, interfere in fixation/revision of fees for the courses offered.

### **How to Apply**
