State Job Portal

(<http://statejobportal.kerala.gov.in/>)

Department of Labour and Skills, Government of Kerala has launched a unique single window facility for job seekers and employers to boost employment in the State. State Job Portal is a one-stop solution or all-inclusive support system for job search and recruitment. State Job Portal provides employers with end-to-end recruitment solution starting with job posting till final offer letter issuance. Job seekers can update their information on the portal to find the right job for them and the employer can find the right candidate for them by entering the job openings portal.

KASE has initiated the process of integrating the University Students database to State Job Portal, by which students passing out various Universities across Kerala will be registered in the portal. This will help in building a databank of the qualified candidates across Kerala. As of now, 1815 CANDIDATES from Kerala Agricultural University, 1553 Candidates from Sree Sankaracharya Sanskrit University and 81 candidates from Thunchath Ezhuthachan University have been registered in the portal. Once these candidates complete their registration, the candidates will be able to apply for jobs through the portal and can sure jobs. This, in turn helps in boosting the employment in the state.

Skill Registry Mobile Application -

Skill Registry is first of its kind mobile application owned by the Government in India.

Skill Registry is a mobile application developed to avail the services of skilled workforce for the daily household and commercial needs directly to the public. The application has been developed by KASE (Kerala Academy for Skills Excellence) in association with Industrial Training Department, Kudumbashree, Panchayat Department and Employment Department. The application provides an opportunity for skilled workers to find day to day jobs and making them capable to find their daily work by themselves. The application acts as a platform for the customers to find their daily job requirements without any intermediaries. As of now, there are 4,639 approved service providers and 16,295 customers registered in Skill Registry.

To monitor, mobilize and promote the application in each district, the district committees have been formed. The Grama Panchayat plays a vital role in creating awareness about different projects of Government in the root level. Understanding this KASE has strengthened the District Committee of Skill Registry by the inclusion of Deputy Director, Panchayat as a member.
